

Trattoria

Giuseppe

**Dear Patrons,**

During this tough time that we are all going through, it is essential that we all stay strong as a community. If it is possible, we would like your support in staying strong and not abandoning our beloved restaurant. Whether it was a family member's birthday celebration or a romantic anniversary here at Trattoria Giuseppe, we appreciate your business and fond memories that we are able to share together.

We would like your assistance in helping us to maintain our staff and to uphold our restaurant. You can support us by ordering take out, or food delivery, or purchasing a gift card at 10% off. We appreciate your help, support and understanding. May God bless us and take us through this difficult time.

**Sincerely,**

**Giuseppe Musso**
